

"the essence of dignity—we care and we're here to help!"

Magnolia House News

Magnolia Women's Recovery Program a Success Since 2002

Magnolia Women's Recovery Program is an innovative community-based organization that treats pregnant and postpartum women for chronic substance abuse addictions. Located in Alameda County, Magnolia is the only residential prenatal program of its kind in the area.

Since its inception in 2002, Magnolia has served approximately 200 homeless women who are experiencing substance use issues. Magnolia treats pregnant and postpartum women, by using experienced experts in the field of alcohol and drug addiction. Magnolia facilitates family reunification, and aims to restore the dignity and self-esteem of mothers as they prepare to be caring, responsible parents and community members.

Program impact over the past 10 years speaks for itself...

- ✈ 91 women became clean and sober
- ✈ 125 healthy births
- ✈ 22 family reunifications

✈ 5 college graduates

✈ In 2010 alone, Magnolia helped 28 pregnant women deliver healthy babies with no pediatric complications; we assisted 16 of these mothers reunify with their older children and families; and have maintained their commitment to sobriety to date.

Peony Fundraising Dinner a Success

On April 27, 2013, Magnolia Women's Recovery Program held its annual fundraising dinner at Restaurant Peony, 388 9th St., Oakland, California from 6:30pm to 9:00pm, to benefit women in recovery and their children. Donations were \$60 per person, and the evening's fare included an 8 course meal, a silent auction, live music, and alumni presentations. A good time was had by all! Please go to our Picture Gallery to view a chronicle of the event and attendance, and please plan on attending next year!

We still need your help

Your financial support is critical to Magnolia's continued success. We are asking you for a tax-deductible donation of \$35, \$100, \$250, \$500 or more so that you may take part in our mission to assist pregnant and postpartum women to heal emotionally, physically, and spiritually from substance use so they can be better parents to their children.

Sponsorships, Auction goods needed, Adopt-A-Bed Program

We're looking for a corporate sponsor(s)--maybe a startup new to the area seeking an excellent way to get some tax writeoffs while showing your dedication, love and support of your community. We would also like to hold an online auction with donated goods, travel packages, hotel or resort stays, or anything else that you can think of that can help us raise money and awareness in Alameda County and all over the world. And our Adopt-A-Bed Campaign helps cover Magnolia's treatment costs per client, which is a minimum \$3000 per month. Won't you help us with a tax-deductible donation so that we can provide proper care and hope for a brighter future for the struggling women and children of our community?

Please go to our [How To Help](#) page to learn more.

Our web site has been updated!

We've added new pages--a blog and an articles section, and we've updated our picture gallery, more current and regular Magnolia House news, a way to sign up for our monthly newsletter and/or emails, and, we've given the entire site a facelift with many interactive and interesting features. Please feel free to explore our additions through clicking the links in the new side menu (although you will have to enable javascript to use this site, including being able to email people).

We Own Her!

As of April 17th, 2009, we are the proud owners of the Hayward House!!! Thanks to everyone who made this wonderous event finally happen!
